# City of Bloomington Citizens' Academy

The City of Bloomington Citizens' Academy provides participants with an interactive learning experience about City services, programs and responsibilities.

This year's Citizens' Academy session begins **Thursday, August 18 and runs through October 13**. To ensure the quality of the experience, the session will be limited to 30 participants.

All classes are from 6:00 pm to 8:00 pm, unless noted, every Thursday evening. The class will meet at City Hall, Showers Building, and then proceed to meetings held off site.

**Citizens' Academy Class of 2010**

The HAND Department developed the Citizens' Academy in 1999 to encourage civic involvement. Through sessions with City Departments, participants learn about the challenges of city government, budget limitations, day-to-day operations and mandates in this fun and educational 10-week program.

*"I very much enjoyed the Citizens' Academy. The programs were well organized and I learned a lot. I wish I had done something like this years ago."*

Nancy Harms

If you are a City resident or student interested in civic participation or learning more about local government operations or how your tax dollars are spent, we encourage you to apply!
